Elk Island Public Schools | Parent & Teacher Survey Results

## **Communicating Student Learning in Elementary School**

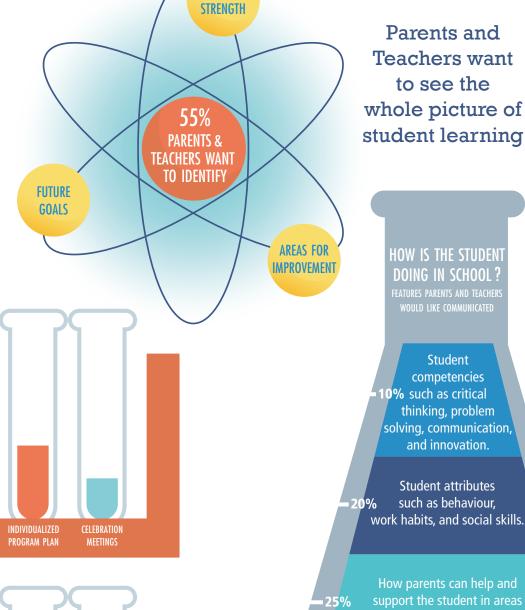

## Purpose

The purpose of the survey was to inform the process of developing a new system for communicating student learning in elementary school.

The following results outline some of the key information parents and teachers want to obtain about student learning.

## Survey Respondents

973 parents [Pa] 290 teachers [Te]												
	Pa											Ра
	Ра	Pa						Ра	Ра	Pa	Ра	Pa
	Ра	Pa						Pa	Pa	Ра	Pa	Pa
	Ра	Pa	Pa	Pa
