

Family Rate

If multiple children in your family are using transportation and the fees are greater than \$850 prior to June 30 or greater than \$900 after June 30, you qualify for the family rate. Contact Student Transportation to have your fees adjusted.

Calculating Home-to-School Distance

Home-to-School Distance is calculated using a combination of roadways and walkways—it may not always match the driven distance of your family car. To determine the distance from your home to the school your child is designated to or attending visit Find My Designated School or Contact Student Transportation.
