

Salisbury, "Home of the Sabres", is the school of choice for the 21st Century Learner. We provide diversity in programs and excellent opportunities that prepare and develop students for the future. "Sabre Pride" is demonstrated through our positive learning environment in which the members of the school community work together to promote the attitudes, skills, and knowledge that enable individuals to live caring, productive, and fulfilled lives.
Salisbury Composite High School has a proud tradition of excellence, which began in 1953. In June of 1954, 10 teachers organized the first Grad for 27 students. In the fall of 1969, "Salisbury" became Salisbury Composite High School with a move to the present location in Sherwood Park and the opening of the vocational department.
Salisbury Composite High School has a diverse culture that encompasses all levels of learning. Students can choose from a wide selection of courses in Fine Arts, Career and Technology Studies and Physical Education. Our students have the opportunity to participate in a robust athletics program, student leadership and school clubs.

Communication of Plan:
The School Education Plan is presented and discussed at the October and November Salisbury School Council meetings. Parents/Guardians are given the opportunity to ask questions and seek clarification on the information contained in the document. Our parents/guardians are always encouraged to make suggestions about school policies and procedures.

The School Education Plan is posted on the Salisbury website. The school goals are posted in the school in a variety of public viewing areas.
