

EIPS Budget 2025-26: Planning Survey

Alberta Education allocates funds to school boards to fulfill their delegated responsibilities of providing education programs for students in kindergarten to Grade 12. As part of Elk Island Public Schools' (EIPS) commitment to stakeholder engagement and to continue allocating resources according to local priorities, the Division conducts an annual budget planning survey to seek input from staff, families, Grade 12 students and community partners.

The following questions suggest possible budget areas for EIPS to prioritize, which align with the Division's current [Four-Year Education Plan](#). If you believe there are other areas where EIPS should focus its resources, you can indicate them as well.

EIPS will consider all budget planning input to guide future decision-making.

The deadline to complete the survey is **Dec. 18, 2024**.
