Salisbury Composite High School, offering dual-track programming in both English and French Immersion, has a strong tradition of excellence. That's thanks to a wide range of academic courses, optional programs, and sports and extracurricular activities available to students—designed to equip learners with the attitudes, skills and knowledge needed for a successful future. Every day, that excellence is nurtured by the school's dedicated and experienced staff, enhanced by the school's Sabre Pride, that work collectively to foster high standards in both curricular and extracurricular activities.
