(2024-25)**

**Ardrossan Junior Senior High** features a vibrant school culture nestled in a rural setting with urban facilities and programs. The school provides a dual-track program for junior high students, alongside the regular English program for senior high—focused on student achievement and success. Students can select from a wide range of core and optional courses and various sports and extracurricular activities, all tailored to meet the diverse needs, interests, skills and strengths of every learner. All programs are taught by supportive staff members committed to promoting excellence in both their teaching and their expectations of their students.
